## Template for 6th Grade World Geography/Cultures

***Please copy and paste the text below into an email to your child's 6th Grade Geography Teacher to request learning materials for the upcoming units of study.***

Dear **teacher name**,

Thank you for all that you do for my **son/daughter's name** in your world geography class. **He/she** truly enjoys your class.

I am writing to request some information from you. I understand that there is a unit coming up where students will be learning about the Middle East, Southwest Asia and North Africa.

Before you begin teaching these units, will you please share with me the lesson plan you intend to use as well as all instructional and student materials you will use? I was hoping to review what they will be covering ahead of time.

Thanks in advance for all your help!

Sincerely,

**Parent Name**
